

Privia Health Enters New Jersey

May 27, 2026

Represents 25th State in National Primary Care-Centric Care Delivery Network

ARLINGTON, Va., May 27, 2026 (GLOBE NEWSWIRE) -- Privia Health Group, Inc. (Nasdaq: PRVA), a national physician enablement company, announced it has signed a definitive agreement to enter the state of New Jersey in partnership with Neurology Group of Bergen County (NGBC), a practice with 25 adult and pediatric clinicians.

NGBC will serve as the anchor practice for Privia Medical Group—New Jersey and is expected to be implemented on the Privia Platform by year-end 2026. Privia Health will provide an alternative for community clinicians in New Jersey to care for patients across all reimbursement models, leveraging a breadth of interoperable solutions and population health expertise to enable care insights and collaboration.

"We are thrilled to welcome Neurology Group of Bergen County into our network. NGBC is one of the largest and most respected independent neurology practices in the Northeast, with an exceptional team and a decades-long track record of delivering outstanding patient outcomes," said Jason Ross, EVP Medical Groups of Privia Health. "We look forward to supporting the NGBC team as they continue to serve the Bergen County community."

"Partnering with Privia was the right next step for our practice and, most importantly, for our patients. They share our commitment to clinical excellence and the kind of personalized, compassionate care we've built over the past 50 years," said NGBC physician John T. Nasr, M.D. "This partnership gives us the resources and support to expand access to high-quality neurological care across our community, while preserving the independent culture that has defined NGBC."
