Privia Health Expands VBC Footprint with Acquisition of American Choice Healthcare MSSP Business

Nov 2, 2026

ARLINGTON, Va., Nov. 02, 2026 (GLOBE NEWSWIRE) -- Privia Health Group, Inc. (Nasdaq: PRVA) announced the acquisition of American Choice Healthcare MSSP, LLC (ACH), a wholly-owned subsidiary of Cano Health. The Accountable Care Organization (ACO) will care for more than 36,000 attributed lives in the Medicare Shared Savings Program (MSSP) starting January 1, 2027.

Privia Health paid approximately $36 million at closing using cash on its balance sheet. The transaction is expected to have minimal impact on all key metrics in 2026 and will positively contribute to Attributed Lives and Adjusted EBITDA in 2027.

This strategic transaction further scales Privia Care Partners, adding attributed lives in both existing and new states, and also offers a compelling synergy opportunity for providers to join Privia's Medical Groups for a full suite of services and technology platform.

"Adding ACH to our national network of ACOs underscores Privia Health's ability to replicate our differentiated and flexible operating model with new practice partners across the country," said Sam Starbuck, Senior Vice President and President, Privia Care Partners. "We look forward to collaborating with these physicians and their practices, leveraging our population health and value-based care expertise to enhance the patient experience, improve outcomes, and lower costs."

Safe Harbor Statement

This release may contain forward-looking statements within the meaning of the safe-harbor provisions of the Private Securities Litigation Reform Act of 1995. Such statements relate to our current expectations, projections and assumptions about our business, the economy and future events or conditions. They do not relate strictly to historical or current facts. Forward-looking statements can be identified by words such as "aims," "anticipates," "assumes," "believes," "estimates," "expects," "forecasts," "future," "intends," "likely," "may," "outlook," "plans," "potential," "projects," "seeks," "strategy," "targets," "trends," "will," "would," "could," "should," and variations of such terms and similar expressions and references to guidance, although some forward-looking statements may be expressed differently. In particular, these include statements relating to, among other things: our future actions, business plans, objectives and prospects; and our future operating or financial performance and projections, including our full-year guidance for 2026. Factors or events that could cause actual results to differ may emerge from time to time and are difficult to predict. Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, actual results may differ materially from past results and those anticipated, estimated or projected. We caution you not to place undue reliance upon any of these forward-looking statements.

Factors related to these risks and uncertainties include, but are not limited to: the heavily regulated industry in which we operate, and any failure by us or our medical groups to comply with the extensive applicable healthcare laws and government regulations; the complexity of the legal framework governing our relationships with Medical Groups, some of which we do not own, and Privia providers, and the impact of legal challenges or shifting interpretations of applicable laws; the execution of our growth strategy, which may not prove viable and we may not realize expected results; difficulties timely implementing our proprietary end-to-end, cloud-based technology solution for Privia physicians and new medical groups; the high level of competition in our industry; challenges in successfully establishing a presence in new geographic markets; the impact of failures by or service disruptions at key third-party vendors, such as our primary electronic medical record vendor, athenahealth, Inc.; potential decreases in reimbursement rates by governmental and third-party payers, changes to payment terms or challenges negotiating and retaining favorable contracts with private third-party payers, and changes impacting our patient population; the financial and operational impact of our compliance with various complex and changing federal and state privacy and security laws and regulations related to our use, disclosure, and other processing of personal information and protected health information, including the Health Insurance Portability and Accountability Act of 1996; the impact of actual and potential security threats, cybersecurity incidents or privacy or other forms of data breaches involving us, our vendors or other third parties; the continued availability of qualified workforce, including staff at our medical groups, and the continued upward pressure on compensation for such workforce; and other risk factors described in our Annual Report on Form 10-K for the year ended December 31, 2025 and the Company's subsequent Quarterly Reports on Form 10-Q. All information in this press release is as of the date of the release, and the Company undertakes no duty to update this information unless required by law.
